### **New Commercial Fertilizer License Application**

Pursuant to T.C.A. §43-11-104, every person who distributes commercial fertilizer in Tennessee must obtain a commercial fertilizer license from the Department of Agriculture and must file with the Department an annual statement indicating the number of net tons and number of brands of commercial fertilizer the person distributed in the state during the previous licensure year. Fees for the license are determined according to this self-reported data.

All commercial fertilizer licenses expire on **June 30**.

Checks should be made payable to the Tennessee Department of Agriculture and mailed with this completed form.

***Upon the department receiving this completed application, an invoice for \$100 will be sent to the licensing contact.***
