DEFINITION:
"Agricultural seeds" mean the seeds of grass, forage, cereal, fiber crops, and any other kinds of seeds commonly recognized within the state as agricultural seeds. The term includes lawn seeds, mixtures of seeds.

1. Fill out the application form fully.

2. Check (X) boxes for the type of license(s) requested.

3. **SEED DEALERS EXEMPTIONS**
   - A) A person who sells seed only in packages of 10 pounds or less
   - B) A person who sells seed that has a gross value of $1,000 or less a year
   - C) A person who sells seed only to a Montana-licensed seed dealer, labeler, or conditioner
   - D) A Montana grower selling only seed of that grower's own production with a gross annual sales value of $5,000 or less.

4. **SEED LABELER EXEMPTIONS**
   - A) A Montana certified seed grower when labeling certified seed from the grower's own production.
   - B) Any person who updates germination test data by affixing to the package of seed a supplemental label bearing new germination data, the lot number, and the person(s) name and address.
   - C) A Montana grower who labels seed only of that labeler(s) own production with a gross annual sales value of $5,000 or less.

5. **Seed Labelers** must submit a copy of your current label with the application form annually.

6. **SEED CONDITIONING PLANT EXEMPTIONS**
   A seed grower, when conditioning only seed from that grower(s) own production, is not required to be licensed.

7. Each separate facility or location doing business as a seed dealer, labeler, and conditioner must have a license. Additional forms are available from the department.

8. Make check or money order payable to the Montana Department of Agriculture.

   Send application to:
   Montana Department of Agriculture
   Agricultural Sciences Division
   PO Box 200201
   Helena MT 59620-0201

9. Any questions concerning licensing can be answered by phoning (406) 444-0510, by Fax (406) 444-9466 or by e-mail at csb-mtplants@mt.gov .
